

Plant America GCM NGC Community Project Grants

A Plant America Garden Clubs of Mississippi Community Project Grant may be awarded to a club for a new or existing planting project within their community.

This is a matching grant of up to \$100.00 (in kind donations accepted.) Only one application per year per club. Must be submitted by January 1, 2021.

Application must include the following:

1. Project proposal – include date project is to begin and expected completion date.
2. Describe project – give location of project and list plant and other materials needed.
3. A before photo of area to be planted.
4. Proposed budget including donations and in-kind service.
5. Other group(s) participating in the project.

When project is complete, send a photo and brief summary of your project to this chairman.

This is a matching grant. The amount your club requests should be no more than the total donations listed in your budget on the application

Complete the form below and return to Plant America GCM Community Grant chairman with the above application information.
